

Relationships

RELATIONSHIPS

- Differences and similarities between people arise from a number of factors: family, age, gender, identity and

sexual orientation.

- Our actions affect ourselves and others.
- We can resolve disputes and conflict through negotiation and compromise.
- We can resolve differences by looking at alternatives.
- Listening and responding respectfully to others is important.
- It's important to have the confidence to share your concerns.
- We must care about other people's feelings.
- When we disagree with someone, we must try to see, and respect, their point of view.

COMMUNITY (6Rs)

Community

- Our 6Rs can be shown, and seen, in our community.
- Knowing when to ask for help, and knowing where to go for help, is being

resourceful.

- The environment in which we live is the **responsibility** of everyone in the environment and we must all do our bit to protect our local environment.
- **Reflecting** (thinking carefully) about your community is a great way of identifying those things which you could get involved in.

CAREERS

Careers

- Whatever you're interested in (for example, animals) there are a wide range of careers that are linked to it.
- There are a wide range of career opportunities available.
- Most jobs can be placed into an 'employment sector', eg. construction,

education.

- Nurses, doctors, midwives and paramedics would all be part of the healthcare sector.
