Dear Parents/ Carers,

We are delighted to share with you that, following a two-day section 8 Ofsted Inspection on 14th and 15th September, Westacre Middle School continues to be a Good School.

We are incredibly pleased with the report and everyone in our school community deserves to feel proud. A copy of the report is attached and it will also be available on our website at <https://www.westacre-middle-school.co.uk/ofsted-reports/> . It will also be available on the Ofsted website from the 12th October onwards at <https://reports.ofsted.gov.uk/>

Please do have a read of the full report, however I have included some notable highlights from the report below:

- Pupils are proud of their school and would recommend it to anyone
- Relationships between staff and pupils are very positive
- Leaders work to promote personal development is a strength
- Pupils speak with enthusiasm about the many opportunities available to them to continue their learning beyond the classroom
- Leaders have created an ambitious curriculum. It is aspirational for all pupils....
- Reading is a priority at the school
- Pupils learn the intended curriculum well
- Pupils' wider development is at the heart of what the schools does.
- Staff are unanimously proud of their school
- Pupils are well prepared for their next steps in education

Thank you to all parents and carers for their continued support, including our families who completed the Ofsted surveys on-line. Our children are a real credit to our school, and we are pleased that their exemplary behaviour and enthusiasm for school life and learning were recognised during the inspection.

We would like to take this opportunity to thank all our dedicated staff, leaders and governors who work tirelessly and enthusiastically in supporting our school vision of Inspire - Challenge - Achieve, putting our children at the very heart of what they do every day. Westacre is indeed a good school and we continue to look forward with a shared determination to address the recommendations and build on the continued success of our school, providing the best quality of education for our children.

Yours sincerely,

Mrs D Evans
