

Friday 27th March

Dear Parents/Carers,

We are delighted to invite you to join us for a **'Work Alongside Art'** session during the week commencing 27th April, as part of our Parent Partnership Programme. This is a wonderful opportunity to spend time in the classroom with your child and take part in a creative and engaging lesson together.

During the session, the children will be exploring the work of Andy Warhol, looking closely at his use of repeated imagery and vibrant colour combinations. They will then use their understanding of the colour wheel to create their own artwork inspired by his unique style. These sessions are also a great chance to see some of the wider curriculum experiences that Year 6 pupils continue to enjoy, even as we approach the SATs period.

The sessions will take place from 2:05–2:55pm on the following days, depending on your child's class:

Monday 27 th April	6MG
Tuesday 28 th April	6LM
Wednesday 29 th April	6WB
Thursday 30 th April	6RA
Friday 1 st May	6JT

Please note that these sessions are intended as an opportunity to learn alongside your child and will not include time for individual discussions with class teachers. Should you wish to speak with your child's teacher, please arrange a separate appointment via the school office or your child's journal.

We would be very pleased to see as many parents and carers as possible. Please confirm your attendance by signing up on Arbor by Friday 24th April, so that we can plan accordingly.

We look forward to welcoming you into school for what promises to be an enjoyable and creative afternoon.
