

26th February 2026

Dear Parents/Carers

It will soon be time to host our annual Mother's Day Celebrations. We are delighted to announce that this year each year group will be hosting a Mother's Day Breakfast again. This will be an opportunity for all mothers (or any other significant adult) to come into school to enjoy a bacon or sausage bap and to spend some time playing games with their child.

Each year group will be hosting a separate event and they will take place as follows:

Year 5
Friday 13th March 2026
8.30am – 9.10am

Year 6
Thursday 12th March 2026
8.30am - 9.10am

Year 7
Wednesday 11th March 2026
8.30am - 9.10am

We would ask all children to come into school as normal on these days and for any visitors to make their way to the school office ready to sign in at 8.30am.

This year, we are again asking for a £2 donation for the event. If you would like to take part in this event, please confirm your attendance, make the donation and disclose any dietary requirements via Arbor.

Kind regards,

Mrs Evans
Headteacher
