

12th January 2026

Dear Parents/Carers,

I am writing to invite you to a **'Work Alongside Maths'** session, which is being held the week beginning 26th January from 8:40-9:30am, as part of our ongoing Parent Partnership Programme. In these sessions, parents will have the opportunity to work alongside their child to experience a Westacre Maths lesson: providing you with a first-hand insight into the strategies which we use to support, and extend, your child's learning at Westacre.

The sessions will take place on the following date, depending on which class / Maths group your child is in:

Monday 26th	5JR (Mrs Humphries)
Tuesday 27th	5TS (Mr Street) Mrs Coldrick's group
Wednesday 28th	5LT (Mrs Truman)
Thursday 29th	5DC (Mr Cartwright)
Friday 30th	5TH (Mrs Holden)

We kindly remind parents that these sessions will not provide an opportunity for individual parent-teacher dialogue about your child. If you need to make an appointment at any time to speak to your child's class teacher, then please either put a note in their school journal or telephone the school office.

Due to safeguarding reasons, the children will need to enter school as per their usual arrangements so that they can be registered by their class teacher. Parents should make their way to the school reception for the start of the session in order to sign in.

We would love to see as many parents as possible and ask you to please indicate your attendance by signing up to the event on **Arbor by Friday 23rd January**, so that we have an idea of expected numbers.

We look forward to welcoming you back into school.

R. Humphries
